

**REMARKS/ARGUMENTS**

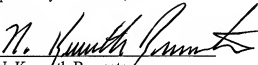

No claims are amended or added or newly canceled. (Claims 1-33, 39, 40, and 48-91 were previously canceled.) Claims 34-38, 41-47, and 92-101 remain pending in the application. Applicants respectfully request reexamination and reconsideration of the application.

Claims 34-38, 41-47, and 92-101 were rejected under the judicially created doctrine of obviousness-type double patenting in view of claims 1-19 of US Patent No. 6,741,085 to Khandros et al. ("Khandros"). In response, Applicants file a terminal disclaimer, which should overcome the rejection.

In view of the foregoing, Applicants submit that all of the claims are allowable and the application is in condition for allowance. If the Examiner believes that a discussion with Applicants' attorney would be helpful, the Examiner is invited to contact the undersigned at (801) 323-5934.

Respectfully submitted,

Date: June 26, 2006
